Optical Media

Chain Driven Motor

EvenFlow Lubricator

Jam Protection

Self-Clean Shredder

Precision Engineered

The PowerTEC 919 IS Industrial Shredder is a high capacity conveyor machine for destroying sensitive information on stacks of paper, optical media, and binders. It features a powerful chain driven motor, automatic jam protection, and simple push button operation. This shredder is rated for Security Level P-3 destruction and holds up to 45 gallons of waste. An optional Output Conveyor (919 CB) is available for waste disposal in a large recycling bin or baler. The 919 IS is precision engineered and guaranteed to provide many years of trouble-free operation.

LED keypad with easy-to-use controls for simple operation.

Features/Benefits

- Powerful high capacity conveyor for shredding stacks of paper, optical media, binders and more
- Security Level P-3 for the destruction of sensitive information
- Mighty 5 Hp continuous duty motor with chain driven operation
- Automatic EvenFlow Lubricator provides continuous oil across the cutting cylinders
- Automatic jam protection eliminates frustration
- LED keypad with easy-to-use controls for simple operation
- Rubber shock mounts suspend the cutting head and reduce vibration
- Optional output conveyor (919 CB) available for waste disposal in a large recycling bin or baler

Emergency stop button for safety and key lock to limit use.
