

Oil-Free Shredders

Special Features / Benefits

Oil-Free Shredding

- Maintenance-Free – oiling is no longer necessary to maintain performance
- Hassle-Free– Never worry about when the shredder was last oiled
- Provides lowest overall cost to comparable oil shredder
- Environmentally friendly

Matrix High Performance Cylinders

- Superior strength- Cutting elements are crimped and fused to a solid rod
- Exceptional performance- Unique design improves cut, feed, and capacity
- Aggressive cylinder teeth easily grip and pull paper
- Guaranteed for life- Peace of mind

Trident Grip Jam Protection

- Reduces paper jams and eliminates frustration
- Three continuous points of contact reduces paper shifting
- Paper is pulled straight, increasing sheet capacity and performance

SmartPower Energy Management

- Power savings is automatic- No thought involved or user interaction
- Reduces energy consumption
- Saves on electrical costs
- Environmentally friendly

German Engineered

- Respected brand with over 85 years experience
- Quality design using the latest technology and finest materials
- Cutting cylinders are guaranteed for life
- Peace of mind- trouble free operation
