The Dahle ShredMATIC® 35314 is a powerful auto-feed shredder that makes quick work of destroying confidential documents. It features a lockable 300-sheet auto-feed bin, oil-free operation, and automatic jam protection. This P-4 shredder produces a $\frac{3}{16}$ " x $\frac{5}{8}$ " particle size and holds up to 11 gallons of shredded waste. It's German engineered and guaranteed to provide many years of trouble-free operation.

Load up to 300 sheets of paper in the auto feed tray.

Features/Benefits

- 300 sheet auto-feed shredder offers convenience and saves time
- Fast shredding of loose or stapled sheets at 85 per minute
- Oil-Free / Hassle-Free shredding maintains performance without maintenance
- Automatic jam protection reverses motor in the event of an overfeed
- German engineered machine for trouble-free operation and peace of mind
- Auto lock/unlock feed compartment prevents access during use for greater security
- Conserves energy by automatically shutting down when not in use
- Shreds CDs/DVDs, credit cards, paper clips and staples

Security Level P-4 for destruction of confidential documents.
